Message from the Superintendent

Dr. Jack Leach

Welcome to the 2006-2007 school year. The theme for this year's activity calendar is "Students in the School City of Hobart Experience Success Everyday." The calendar features many of our students receiving awards, participating in special activities, or just taking part in everyday school programs. We are proud of all of our students for their achievements in academics, athletics, and fine arts. Most students also take part in community service projects. Most importantly, they are developing into socially responsible, well-adjusted, young people.

I encourage students to take full advantage of the wonderful educational opportunities and school activities available for them. I also encourage parents to take an active role in their child's development. You are always welcome in our schools as our team of school personnel, parents, and other community members strives to achieve our vision of "Success for All Students." Let's continue to work together to make this school year the best one yet for each of our students.

THANK YOU TO OUR SPONSORS

On behalf of the School City of Hobart, we would like to thank you for your contribution toward our 2006-2007 activity calendar.

Generous contributions from civic minded individuals allow us to continue to provide our school-wide calendar.

Thanks again!
